## Chapter 14

Except for chapter number, the following credits won't be changing throughout the main release. So you, this gets us up to 2 chapters behind now. You'll all be seeing the last two chapters next Wednesday, then we'll be all caught up. This week, will follow a Mon-Wed-Fri schedule on our site and Batata. I don't know when the aggregator sites will upload, nor do I care. If you're getting these uploads late, you're free to get them on time on our site or Batata. In total, I believe we're doing 13 chapters this week, stopping each day at a cliffhanger. We love this series, and we hope you do too. Bows come out Saturday (in the U.S.A.) and we hope to have them up by Wednesday weekly after we've caught up.
